

City welcomes SCHEELS to Grandscape

THE COLONY, Texas — The City of The Colony is proud to join with our partners at Grandscape to welcome the latest big name addition to the ever-growing development: [SCHEELS](#).

Mayor Joe McCourry said SCHEELS represents the exact kind of unique retailer the city and Grandscape developers have sought since the project's inception.

“Over four years ago, our City Council, city team, and partners at Grandscape all agreed that SCHEELS was the only sporting goods store that we felt was a perfect fit for our growing city and we set out to pursue them,” McCourry

said. “Their proven reputation of success and commitment to making the customer a priority blended well with the Nebraska Furniture Mart philosophy and the city’s mission. We are excited to be their chosen location and to welcome them to the Grandscape development and to the City of The Colony!”

The SCHEELS outlet in The Colony will be the world’s largest all sports store, with 300,000 square feet of top-name brands under one roof. The store will have more than 85 specialty shops, a 16,000-gallon aquarium, a 65-foot high 16-car operating Ferris Wheel, photo opportunities, a wildlife mountain, and sport simulators. SCHEELS restaurant and fudge shop, named Ginna’s Cafe, will serve gourmet soups, sandwiches, coffee and specialty drinks, 24 flavors of homemade fudge, and 18 flavors of gelato.

The store will break ground in 2018 and open in 2020. Click [here](#) for more information or visit <http://www.scheels.com/>.
