OVERVIEW

When you think of golf, think The Colony, Texas. Home to three outstanding lakeside courses and multiple golf entertainment venues, The Colony is where you go to play – golf! Less than a 25-minute drive from DFW International Airport and 20 miles north of Dallas, The Colony is easily accessible from the Sam Rayburn Tollway. TOPGOLF

3760 BLAIR OAKS DRIVE | 469-213-5204 | TOPGOLF.COM

Think of Topgolf like bowling or darts. The goal is to hit a golf ball containing a personalized microchip into one of 11 targets ranging from 20 to 240 yards away from the comfort of a climate-controlled bay. Using top-secret technology to track your micro-chipped balls, a reader computes your score based on the accuracy and distance of the shot. HDTVs inside the bays show an animated instant replay of your shot as well as your score card. Unlike traditional golf, in this version, the higher the score, the better. This fun and challenging point-based game will entertain golfers of all ages and skill levels. Use Topgolf's complementary clubs or bring your own! Between swings, guests will have access to a rooftop terrace, multiple bars and an extensive food and beverage menu. This is where the competition of sport meets your favorite local hangout spot.

GAME DETAILS

TOPGOLF	Difficulty: Beginner. In this signature game, players score points by hitting balls into any target. The more accurate your shot and the farther the distance, the higher the points.
TOP SCORE	Difficulty: Beginner. This high-scoring version of Topgolf rewards you for going big. The farther the target you hit and the closer you get to the center flag, the more points you'll earn.
VIRTUAL GAMES	Difficulty: Beginner. Immerse yourself in the game when you take a swing with the Angry Birds characters or match up in Jewel Jam with Toptracer tech.
QUICK 9	Difficulty: Multi. In this speedy game of accuracy, you'll get three shots each at the red, yellow and green targets. The closer to the center of each target, the more points you'll receive. Advance in difficulty and distance as you play.
TOP SHOT	Difficulty: Multi. Accuracy is key in this exciting game as you attempt to hit targets at four consecutive distances. Be careful because hitting the wrong target loses points. Advance in difficulty and distance as you play.
TOP PRESSURE	Difficulty: Intermediate. Test your touch and accuracy by hitting all nine sections within the yellow target. Close out the first level, then see point values multiply. Be careful not to hit the same section twice or you'll lose points.
TOP SCRAMBLE	Difficulty: Intermediate. Golfers compete mano-a-mano on a level playing field. Players are split into teams, and the best score on each ball is used as the score for the team.
TOP CHIP	Difficulty: Intermediate. For fans of the short game, TopChip uses just the red, yellow and green targets. Hit the correct target and you'll score points, but hit the wrong one and see your points disappear.
TOP DRIVE	Difficulty: Advanced. Break out your big guns, and take aim at the farthest targets. Not for the faint of heart, this game challenges even the most experienced and powerful drivers.
CLOSEST TO THE HOLE	Difficulty: Advanced. Take nine approach shots on famous courses and try to land as close to the hole as possible. Distances from the pin on each hole will be totaled, so the lowest score wins! Shots into the rough or a hazard are penalized, so hit them tight!
VIRTUAL COURSES	Difficulty: Advanced. Tee off at some of the most iconic golf courses in the world including Pebble Beach, St Andrews, Spanish Bay and Spyglass Hill right from your Topgolf bay. Play nine, a full 18 or select the specific holes you want to play.

BILL ALLEN MEMORIAL PARK

5900 CARROLL DRIVE | 972-625-1106 | VISITTHECOLONYTX.COM/DISC-GOLF

This expanded disc golf course features 18 holes and stretches across nearly 48 acres of natural landscaping. Bill Allen Memorial Park also consists of two playground areas, two basketball courts, a pavilion, an amphitheater and a small pond. For more information on the park and course, please contact our Parks and Recreation Department at 972-625-1106.

GAME DETAILS

Objective:

Disc Golf is played similarly to regular golf, but with discs instead of balls and clubs. One stroke is counted each time the disc is thrown. The objective is to play each hole in as few strokes as possible, as the player with the lowest total strokes for the entire course wins.

Disc Golf in Three Steps:

1. Tee Throw – Begin with a tee throw. This must be completed within or behind a designated area.
2. Lie – This is the spot where your throw landed. Your next throw will be made directly behind your previous lie.
3. Completion Of Hole - A disc that comes to rest in the basket or chains constitutes successful completion of that hole.

Helpful Lingo:

- Throwing Order - The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After teeing off, the player whose disc is farthest from the hole always throws first.
- Unplayable Lie - Any disc that comes to rest above the ground is considered an unplayable lie. The disc must be thrown from the lie on the ground, directly underneath the unplayable lie or relocated to avoid damage to the vegetation.
- Out-Of-Bounds - If any out-of-bounds area is visible between the disc and out-of-bounds line, then the disc is considered out-of-bounds. A throw that lands out-of-bounds must be played from a point three feet in bounds from where the disc went out. Permanent water hazards and public roads are always out-of-bounds.
